VOL. XXXV SAN JOSE, CALIFORNIA, FRIDAY, MAY 2, 1947 No. 127

### SPARTANS DIVIDE TWIN BILL WITH MUSTANGS

By TOM ROWEN

After dividing a twin bill with Cal Poly, 6-10 and 9-7, yesterday at Municipal stadium, the Spartan baseball team will try to strengthen their hold on second place in the conference when they play Fresno State in a double header tomorrow at the stadium. The first game will start at 2:30 p.m. and the second game will begin at 8 p.m.

The Bulldogs are holding down last place in the CCAA but Coach Walt McPherson yesterday nominated Ralph Romero and Bob Piffereini to pitch in the twin bill because San Jose needs to win these two games to stay in the fight with San Diego State for the championship.

The Spartans divided the first double header with Fresno State which was played in the Rialto City. Coach Kenny Gleason probably will use Earl Smith and George Abo or Everette Neal on the hill for the Bulldogs.

In yesterday's first game, the score was tied at 6-all in the eighth inning when the Mustangs broke loose and scored four runs off Con Maloney who had relieved Roy Duarte on the mound. Cal Poly collected 17 hits off the two Spartan pitchers. San Jose got 10 hits off of Karl Frei, Mustang right hander.

Maloney pitched for San Jose in the second game and allowed Cal Poly eight hits while the Spartans belted two Mustang pitchers for 11 bingles. Wayne Krouskup and George Smith collected doubles in the second game.

San Jose got off to an early lead in the second game when they scored three runs in the second, five in the fifth, and one in the sixth. Cal Poly scored one in the fourth, two in the fifth, two in the sixth, and two in the final frame.

### Rent Control Passes House, Counties May End It At Any Time

Washington, May 1. (UP)—The House tonight passed and sent to the Senate a bill which continues Federal rent controls at least until December 31 but gives county and city governments power to end controls whenever they find a housing emergency no longer exists in their communities.

The vote was 204 to 182.

Approval came after the House reversed itself and finally defeated by a mere eight votes a motion by Representative Wright Putman to send the bill back to the House Banking and Currency committee. The recommittal motion was supported by advocates of rent control, who maintained that the bill had too many loopholes, and rent control foes, who said it would not grant enough relief to landlords.

### STUDENTS WANT ACTION TAKEN ON TENNEY BILL

Student Council approval will be sought Monday night of a plan to present a collective student opinion of the proposed Tenney bills.

Plans, if approved by the council, call for a postcard, carrying the following statement to be sent to the Senate Committee on Education, or Senator Byrl R. Salsman:

"AS A STUDENT OF SAN JOSE STATE COLLEGE I object to any curtailment of academic freedom. I urge you to vote (for), (against) the proposed 'Tenney Bills.'"

Dr. William H. Poytress, Social Science department head, said Tuesday that the Tenney legislation, bill 1027 in particular, was "Book burning with a vengeance," and declared that passage of the bill would cause a revision of the Library, and prohibition of many courses now being taught here and at other colleges and universities.

Bill No. 1027 would prohibit publication of sectarian, partisan, or denominational material, and use of such material in any California school library.

Since notice was given of probable action by the Student Council, librarians report an increasing student demand for copies of the bills to study. The bills are on file at the reference desk under Senate Bills and Resolutions."

### First Nighters See Sincere Cast In 'The Assassin'

Sincerity of performance, although perhaps a hackneyed expression, still best describes the honesty with which the cast of "The Assassin" presented their opening evening's performance last night in the Little Theater.

Every member of the cast seemed to live his part and succeeded in conveying this feeling to the audience.

True, there were occasional fluffing of lines, but each one was covered expertly.

Scene stealer for the evening was Deane Healey whose calm, sardonic portrayal of the detective was excellent. Stella Pinoris gave a very understanding emotional performance as Helene Marlette. Ed Williams, as the assassin, succeeded in conveying to the audience the bewildered feeling of a young man who finds himself the key figure in a murder.

John Calderwood, Paul Gormley, Donald Holladay, Elda Beth Payne, and Barney Luce (who saved one point in the play with a quick ad lib) all seemed to place themselves in the characters they played and were able to give very living performances.

A short but excellent part was played by Clifford Roche, as the American sergeant. He was on the stage for about 15 minutes, and yet was able to make a profound impression on the audience.

### ADMINISTRATION NOT OPPOSED TO NATIONAL FRATS

"The administration is not opposed to national social fraternities and sororities coming on this campus," Dr. T. W. MacQuarrie stated yesterday.

Dr. MacQuarrie was queried after a faculty memorandum on the subject from Dr. Raymond M. Mosher's office was distributed throughout the various departments. The notice scheduled a meeting for May 7, 7:30, at the home of Dr. Mosher, and stated all faculty members who are in national organizations should attend.

"Local social fraternities and sororities are manifesting considerable interest in affiliation with national organization, and definite plans are underway to accomplish this objective," the leaflet said.

Neither Dr. Mosher nor Dean Paul Pitman was available for comment yesterday.

### TRYOUTS MONDAY

Tryouts for "Over Twenty-one" a comedy by Ruth Gordon, will be held Monday, May 5, at 4 p. m. in the college Little Theater. Copies of the play are now on reserve in the Library for those who wish to study the script. Mr. John R. Kerr is director.

### Academic Banquet Planned to Honor Frosh Scholars

Freshman students with high grade point averages will be guests at a special banquet at Lou's Village on the evening of May 20, according to Dr. Esther Shephard, faculty adviser of the San Jose State college Academic Scholar society.

Dr. Shephard stated the society, sponsored by the faculty Phi Beta Kappa group, decided on the banquet as a means of honoring students who have made a good scholastic beginning in their college studies. Invitations to students will be determined on the basis of scholastic standing.

### Five Music Students Give Piano Program Sunday Over KSJO

Mr. William Eriendson will present five of his students in a program of piano music on Sunday, May 4, at 5:30 p. m., over the facilities of station KSJO. The program is presented under the auspices of the Santa Clara Music Teachers' Association.

Rachel Barton, Delbert Carlson, George Walston, Bonnie Troutner, and Betty Dilg will participate on the program. Miss Barton will play the "Partita in B Flat" by Bach; Carlson the "Romance in F Sharp Major" by Shumann; Walston, the Hindemith "Sonata;" Miss Troutner, Schumann's "Novelletto;" and Miss Dilg, the "Capriccioso in B Minor" by Brahms.

### TEN CANDIDATES GO ON BALLOT TODAY FOR ASB OFFICES; PRESIDENTIAL RACE HOT

Culminating a week-long drive to bring out the heaviest vote in ASB history, ten candidates will go before the student body on the primary ballot today. The polls will be open from 8 a.m. to 4:15 p.m.

The withdrawal of John Keith Pope from the vice-presidential race yesterday cut the original number from 11 entries down to the

### MYSTERY WOMAN INTRODUCED AT LA TORRE RALLY

Introduction of La Torre's queen candidate for Spardl Gras will climax the show sponsored by the yearbook staff in the Morris Dailey auditorium Thursday, May 8, at 7 p.m., announces Bill Ellsworth, business manager.

"A veil of secrecy will surround the curvaceous beauty until the night of the big show," says Ellsworth. "The lady in question has charm, poise, and lots of personality."

Supplementing Billy White and his combo on the entertainment program is Frank Blake, freshman, who will render his version of Al Jolson. Other State talent to be featured is Nelson Rockefeller and Bob MacFadyen, boogie artists.

Over \$250 in prizes will be offered to La Torre stub holders with lucky numbers. They include: two class rings, two portraits, six pair of nylons, six admission tickets to Adobe Creek Lodge, ten hours flight time, four orchids, two steak dinners, 50 gallons of gas, and two \$10 merchandise orders from local merchants.

Yearbooks now on sale in the outer quad will be sold until May 8. Ellsworth reminds prospective buyers that this year's book has been proclaimed as one of the best. The show is free to all, but only La Torre stub holders are eligible to win prizes.

### STUDENT INJURED

Don DeGeller, La Torre photographer, received second and third degree burns on the left hand last night when a flash bulb exploded while he was taking costume pictures for Spardl Gras outside the Publications office.

DeGeller is a freshman journalism major from Redwood City. He was given emergency treatment at the storeroom in the Science building.

### Queen Candidates Begin Big Weekend At Dance Saturday

Nine pretty candidates for queen of Spardl Gras will begin a heavy schedule of personal appearances this weekend when they will be guests of honor at Tri Gamma's Saturday night dance to be held in the Women's gymnasium. Sunday afternoon the nine coeds will preside in an honorary capacity at an airshow at the Reid Hillview airport, where they will present awards to the winners of various events.

Later in the month the candidates will make appearances as models in a fashion show and are to be guests on radio station KLOK's morning program "Breakfast at the Village" which originates from Lou's Village, a San Jose restaurant.

ten that will be voted on today. Pope's withdrawal left the vice-president's office between two candidates, Patrick Polk and Abner Fritz.

Today's presidential race promises to be the most hotly contested of the primary's. A large crowd at the political rally in the outer quad yesterday got a good idea of what Sal Millan, Doug Morrison, Hal Riddle, and Emerson Arends plan to do in the coming year. The four candi-

### POPE OUT OF RACE

To the Spartan Daily:

Due to unforeseen circumstances which developed during the past few hours, I hereby withdraw my nomination for the office of vice-president of the Associated Student Body of San Jose State College. I want to thank Fred Albright for nominating me, and those who had pledged their support.

JOHN KEITH POPE.

dates for ASB prexy briefly outlined their platforms and urged students to cast their ballots today.

Marsha Blase and Margaret McLean are seeking election to the office of secretary, while Charlotte Harder and Beverly Clay are contending for the treasurer's post.

If a run-off election is necessary it will be held Wednesday, May 7, according to the Election committee.

### Seniors Cards, Announcements For Sale Today

Graduation announcements have arrived in the Spartan Shop and may be purchased by seniors for 15 cents a piece, announced Gwen Friezen at senior orientation yesterday. Personal cards for the announcements may be ordered in the Business office for \$1.90 for 100.

Sign-ups were taken during the meeting for a senior overnight tentatively planned for May 15 and 16. Also discussed were plans for a council outing Tuesday evening. The exact location has not been decided upon as yet, disclosed George Milias, president.

### Margaret Peterson Will Interview Counselors Today

Women who desire to attend Summer Session and would like to counsel at a Girl Scout camp during the latter part of the summer, should plan to speak with Mrs. Margaret Peterson of the San Jose Girl Scouts who will be on campus this afternoon at 1 p. m. in the Women's gym, according to Mrs. Lenore Luedemann, Women's P. E. secretary.

The camp, which will be held at Big Basin, will be in session from August 14 or 17 until August 30. A waterfront director and unit leaders are needed, according to Mrs. Luedemann.

DAY EDITOR—This Issue—MAX MILLER

## FINISH THE JOB

We're almost happy. The crowd that turned out for the noon political rally yesterday was encouraging to both the candidates and the prospects for better student government.

There is but one hurdle left before the end of the race. That barrier is the primary. If we can get over it today with a record vote, the chances for campus betterment will have been given a big boost.

It was an impressive thing to sit by in the outer quad yesterday and listen to four young politicians make their final bids for the office of President of the student body. It was even more impressive to hear them, as one, plead with the voters of an Jose State college to cast their ballots today.

Ten students have their hearts set on an executive office within the ASB, yet they are more concerned with the total vote than with their share. We cannot let them down at this stage of the race.

Don't pass the polls—vote.

## THRUST and PARRY

### How About It?

Dear Thrust and Parry:

The other day I noticed how ragged the flags were that are on the Morris Dailey auditorium. It seems to me that a school of this size could afford to have good clean flags, at least in the auditorium.

James V. Weybrew,  
ASB 4259.

### Muscles vs. Lungs

Dear Thrust and Parry:

If our gridmen, netmen, swimmers, casaba men, etc., are really worth their gold cups and ribbons, no brass band or rooting section will add to their glory. If, however, they aren't worth their salt, no amount of ballyhoo will convince the state that San Jose State college has an enviable position in the athletic world. Let our men show our strength, not our lung power.

ASB 5627.

### Sour Note

Dear Thrust and Parry:

If the Spartan Daily can not get a staff member that is capable of giving a decent review of a school activity, it should either import one or quit posing as a vehicle of authentic campus news stories.

The review of the recent symphonic band concert showed neither good reporting nor musical background on the part of the pseudo-critic. The depth of the reviewer's understanding apparently struggled as far as the stage department of the percussion section and then collapsed.

This particular article was not an isolated instance of very bad reporting by an irresponsible person, but mainly, the last straw.

Steve J. Connolly,  
ASB 4759.

Other competent observers have been heard to remark that the percussion section resembled a crack T-formation backfield in the heat of battle. At one climatic instance, a perfect triple reverse, involving tamborine, triangle and cymbals, was flawlessly executed, to the perfect cadence of a jaw-breaking chaw of gum.—ed.

## WOMEN NEEDED AS MODELS

Prospective models attention! Ten women are needed to take part in a local fashion show on May 20 and 21 sponsored by the Goodwill Industry, according to a report issued from the Dean of Women's office.

The show will feature the fashions of "yesteryear" and "today" with coeds modeling the clothes worn decades ago, as contrasted with those of this year.

Women volunteering their services will be needed only for one hour a day, from 3 to 4.

Anyone interested should sign up in the office of Mrs. Izetta Pritchard, assistant Dean of Women.

## Duane Heath Wins Scholarship

Duane Heath, son of Dr. Harrison F. Heath of the Psychology department, and a past performer in dramatics at San Jose State College, has been awarded a \$1500 fellowship at the University of Chicago for next year.

He did his lower division work at State and participated in several plays given here from 1940 to 1942.

For the past two years Heath has been teaching assistant at the Stanford laboratories.

## Summer Camp

### SJ DELEGATES TO BE SENT TO MINIWANCA

A selection board will choose three students soon, to be delegates to Camp Miniwanca, leadership training camp on the eastern shore of Lake Michigan.

Paul Pitman, dean of men, Helen Dimmick, dean of women, Lucille Crossby, and students June Robertson and Bruce McNeil will choose the candidates and present them to the student council for final approval.

#### REPRESENTATIVE

Miss Crosby is a representative of Mr. Danforth. She will be on campus for the year.

McNeil, sophomore social service major and Student Council member, represented San Jose State college last year.

The committee reports that to date, there have been only three applications, and they have allowed additional time for other students to apply.

#### APPROPRIATION

The Student Council has appropriated \$21.50 for each of the delegates, and further financial help has been promised by William H. Danforth, president of the American Youth foundation.

Designed to "teach excellence in living based on Christian concepts, and to have instruction in constructive leadership applicable to all of life's activities," the camp maintains a two-week period for young women and a similar period for men.

#### QUALIFICATIONS

Applicants, camp leaders state, must be between the ages of 17 and 22, with a demonstrated capacity for leadership.

Students interested are requested to inquire at Dean Pitman's office for further information.

Final selection probably will be made by the board before the end of May.

## LOST AND FOUND

LOST: On Seventh and San Carlos streets, a blonde, male cocker puppy, four months old. His name is "Snuffy." If you find him or have any information, please wire Pearl Watson, c/o Gault school, Santa Cruz. Reward and expenses will be paid.

## O. T. MAJORS OFFERED ARMY JOBS

Occupational therapy majors now may join Uncle Sam's army, according to a notice received by Miss Mary Booth, assistant professor in occupational therapy.

The "long awaited" bill has passed to set up the Women's Medical Specialist corps, which will include occupational therapists, physical therapists, and hospital dietitians. The women will be considered a part of the regular army with authorized strength of O. T.s amounting to about 225.

Miss H. Elizabeth Messick, chief of the O. T. branch in Wash-

ington, D. C., will speak at State today at 12:30 in S210. Miss Messick is on a western tour speaking in colleges offering O. T. courses.

All new appointees enter the organization as second lieutenants. They must be single, according to the bulletin, and over 21 years of age.

## manufacturing...

## AN ILLUSTRATION OF INDUSTRIAL MATURITY

For 14 years there has been no major strike in the women's and children's apparel industries . . . and only one in the past 21 years.

In the first post-war year, while American industry in general was losing 120 million man-days of work as a result of labor-capital disputes, the women's wear trades were again setting an inspiring example of continuity of operation.

The history of employer-worker relationship in these industries is a story of consistent progress. The freedom from strife affords them the necessary opportunity for concentrating their attention and effort upon product improvement—enhanced beauty of design and perfected skill of craftsmanship.

This attainment of industrial maturity places the women's and children's wear industry in the vanguard of American progress.

This is the second in a series of interpretations of the general economic highlights of the women's and children's wear industry of possible interest in the choice of a field of endeavor. Series sponsored by Women's Wear Daily, a Fairchild Publication, 8 East 13th Street, New York 3, N. Y.

## SPARTAN TRACKMEN BATTLE FRESNO TOMORROW ON LOCAL OVAL AT 2

By WILBUR AGEE

San Jose's varsity track team, rated by most as one of the top teams on the Pacific coast this year, will meet an always strong Fresno State team tomorrow afternoon on Spartan field at 2 o'clock. The Raisin city team, coached by J. Flint Hanner, is fast developing into a confender this year after a rather slow start.

The Bulldogs are deep in all events but their most promising men are freshmen this year and probably won't reach

perfection until the next two years. However, they are not to be taken lightly as shown by last year's twin victory over Coach Bud Winter's trackmen.

San Jose will go into tomorrow's meet the favorites but many close races are assured and if the invaders got the breaks the tables could be turned, according to Coach Winter.

Closest races of the day are expected in the hurdles with Merle Martin, Bulldog timber topper, battling Jack Passey and Tom Birmingham in the high hurdles and Billy Rhyne and Bill Schem-

A meeting of all track squad members today at 12:30 in the small gym.

mel in the low barriers. On this year's performances Martin is favored in the highs but is rated second to Rhyne in the lows.

A duel is expected in the broad jump with San Jose's Bob Ehrman and Fresno's Bob Canfield and Bob Waterman. Either of the three is capable of winning.

In the discus Jean Lamoure will attempt to break up San Jose's winning trio of Woody Linn, Ray Overhouse and Grant Denmark. However, if the three can get over the 150 foot mark tomorrow they could make a clean sweep for the sixth straight time. Lamoure is rated the slight favorite to take top honors in the shot over Linn.

Gene Haynes and Murray Collins are expected to have little trouble in the mile and Haynes and Merle Knox should encounter no trouble in the two mile run.

Even with Bob Bingham out of the sprints, the Spartans can sweep the 100 with Billy Rhyne and Steve O'Meara moving up behind Don Smalley. In the 220,

## PROF SPRINTERS VIE TOMORROW

As an added attraction at tomorrow's Fresno-San Jose track meet, the games' committee has planned a special 30 yard dash for members of the college faculty.

Dean of Men Paul Pitman will be the official starter for the race. Aspirants for the outstanding prof sprinter are: Dr. Alex McCallum of the biology department; Mr. Lanyon of the art department, who was quite a sprinter in his college days; Dr. Brant Clark of the psychology department, who was a quarter miler at California university; and Mr. Owen Broyles of the social science department, who was a two miler in his college days.

Several others are expected to enter the race. The contestants will wear costumes, and the race should be a riot from start to finish, according to Doug Flautt, committee member.

## CLASSIFIED AD

WANTED: Ride from Los Gatos for 7:30 class daily. Phone Los Gatos 1157R or contact Paul Eller, Coop box E.

Smalley should repeat and O'Meara could take second ahead of Fresno's Jim Kohfield.

Unless Thelmo Knowles runs in the 440, the Bulldogs will probably pick up a first in the quarter mile. However, Fred Mangini may be a big factor in this race for San Jose. Knowles can come back to win the 880 yard run and Collins may come through with a second in the half mile.

## STATE MERMEN CLOSE SEASON

The varsity swimming team will make their final home appearance tonight at 8 o'clock in Spartan pool when it meets the highly touted College of Pacific mermen. The Spartans met defeat at the hands of the Tigers in Stockton two weeks ago and will be out for revenge tonight.

The meet promises to be one of the closest in the local pond this year and could go either way, according to Coach Charlie Walker.

The Tigers are led by Bob Steele, one of the better sprint stars in the conference this year. Steele was the big gun for the Tigers in the meet three weeks ago, winning the 100 yard freestyle and anchoring both relay teams.

Another outstanding performer for the invaders is Don Driggs, who was on the winning relay team and winner of the 440 yard freestyle. Jack Toomay, of basketball fame, will help with the relay and swim the 200 yard breaststroke.

However, Captain Ed Rudloff and Pete Wolf, frosh captain, will have something to say about Toomay in the breaststroke. Wolf won the event in the Tiger pool.

Tonight will be the final home appearance of Don "Scoot" Thomsen, school record holder in the

50 yard sprint at 24.7 and co-holder of the medley relay record. Thomsen will graduate in June. Other sprinters who are expected to make the meet close are Tudor Bogart, Jack Daly, Gordon Phillips and George Hodgins. Bogart won the 50 at Stockton.

## NETMEN INVADE STOCKTON

Coach Ted Mumby's varsity netmen travel to Stockton this afternoon where they will play the College of the Pacific Tigers.

The Spartans' hopes of grabbing a victory over the COP aces brightened considerably Wednesday evening when the doubles team of Captain Gene Franco and Don McKenzie made a comeback by their victory over Stanford. Bob Brokop and Dave Parnay showed promise in defeating their opponents.

The Tigers hold victories over

California, Stanford, and San Francisco State. COP stars include: Hank Prister, who upset Harry Likas in the NCT tourney, Ted Collins, Chet Covey, and Noel Prince.

## Jews May Be Heard On Palestine Issue, As US Alters Policy

**UNITED NATIONS HALL, FLUSHING, N. Y., May 1 (UP)—**The United States today suddenly abandoned its opposition to giving the Jews a voice in the United Nations Palestine discussion and began seeking a formula that would allow them to participate.

The new stand apparently resulted from strong representation in Washington because until today the United States, following Britain's lead, opposed allowing the Jews to speak on Palestine at this time. The Jewish agency, official representative of Palestine Jews, has appealed repeatedly to President Truman in an effort to force the State Department to modify its stand.

The United States delegation, probably the most influential on present issues, now appeared to favor letting a Jewish spokesman appear before a UN general assembly committee. The United States has opposed the Jewish request for a non-voting seat in the assembly itself because of fear that this would set a precedent which might allow other minority groups, such as Chinese communists, to demand the right to be heard should cases involving them arise in the future.
